

SAVE THE DATE: On Sunday, June 20th, starting at 4:00 PM, a Save the Chapel garden party is being planned on the grounds at 90 Willett Road, Warren Ray's home just across from the church. He and his daughter, Betsy, have graciously offered their property for our use.

We are currently looking for donations for both a live and silent auction that will be a major part of the event. Donations can be an object (jewelry, painting, antique piece, furniture, etc.), a service (lawn mowing, baby sitting, cooking a meal, computer tutoring, etc.), a boat trip, a weekend at your vacation home, airline tickets.....the sky's the limit! Be creative, use your imagination and we hope that many of you can come up with some tantalizing items that someone else just can't resist. Proceeds will benefit our Save the Chapel campaign and in most cases are tax deductible up to the full extent of the law.

To make a donation or if you have any questions, please contact Empie Davis at 295-7872 or email her at empiedavis@yahoo.com.

We want this to be a great party with fine food, drink, music and fun for all. We hope you will join us and give us your support. More information and invitations will be forthcoming.
